The College reserves the right to deny any request to be on campus that might threaten the security of the campus or interfere with the learning environment.

 - D. They must clean up after their presentation;
 - E. Programs may not discriminate on the basis of race, color, creed, gender, sexual preference, national origin or marital status. Presenters and programs may not violate laws of the United States, the State of New York, Broome County, and/or the Town of Dickinson. Presenters and programs may not violate the Student Code of Conduct;

The College will remove from campus groups or individuals who do not abide by the expectations above.
