Changing all the outcomes to align with SUNY's. These are Fast Forward courses that just need to align with SUNY's SLOs
No questions, concerns, or discussion about the course.
Will vote electronically next week
 - e. CST 117
Not looking to be a Gen Ed course—just bringing it through for the Critical Thinking competency. Doing this will ensure that all AAS degrees will meet the Gen Ed requirements.

There was a concern of having the Critical Thinking SLOs combined into one
—All the outcomes will be captured in the capstone project—the assessment of
the project is set up to measure all of the outcomes.

---K. Moyer concurred that it could be done this way.

Will electronically vote on next week.

V. Deactivations - none

VI. New Business

a. Vote on PSY 214, PSY 234, PSY 211 – From Apr 20 Agenda

Motion to Approve all together: H. Bartlett 2nd B. Dawe. Vote: 5, 0, 1 (absent)

b. BIT 140 – Not being put forth to our committee

Decided to not move forward with bringing this course forward as a Gen Ed. The course
has been removed from the “To Be Reviewed” course folder on the Gen Ed website.

c. Updates on PHY 182 from April 20th meeting.

Worked with A. Glenn to cut down on the SLOs and moving information to the course
description so that all topics are covered as needed for transfer credit

No questions, concerns, or discussion about the course.

Motion to Approve: H. Bartlett, 2nd A. Glenn. Vote: 5, 0, 1 (absent)

d. Fall Meetings – In person or Zoom?

Meetings will be by Zoom in fall.

e. Courses Revised = 129 from Fall 2022 to Spring 2023. Kudos!

This number does not include today’s courses (😊)

VII. Call for New Business

Are we in good shape with all AA and AS having meet all the new Gen Ed requirements—
with the curriculum maps that were sent out?

HS—yes, especially for AA and AS. AAS degrees are still working things out, but on the
right track. 4 semester plans are being updated

Good in LA and just a few stragglers in BPS that J. Anderson is following up with.

K. McLain—thank you to this committee for all the work—we are in great shape in and in
better shape than a lot of SUNY schools

S. Gibble—echoing the thank you—because of the work the committee has done, except for
what was voted on today, EVERYTHING has been updated in Banner!

VIII. VI. Adjournment. 3:30pm
