II. Minutes from Feb. 16, 2023

Motion to approve: B. Dawe 2nd: A. Glenn, Vote: 5, 0, 1 (absent)

III. New Course Proposal--none

IV. Course Revisions

a. POS 205

Came through already with updated SLOs, now the title has been updated to 'Gender and Politics' instead of 'Women and Politics.' The description has also been updated.

Will vote electronically next Thursday.

b. FRE 101

c. ITA 101

Changing SLOs to match new SUNY SLOs for both of these first-level courses.

Will vote electronically next Thurs.

d. COM 100

Intro to Mass media. This would be a new Humanities Gen Ed course meeting the outcomes through the media history within the course and the 2nd SLO through the critical analysis portion of the course.

There was a discussion of switching out 'humanities' in the SLO to something more specific like 'history of media.'

Will vote at next meeting.

V. Deactivations—none

VI. New Business

- a. MTP Document – Sent to committee Feb. 22.

No questions or discussions about the document—it appears to simply clarify information and policies and those changes fit with everything we have already been doing.

The Gen Ed Course list has been updated again.

L. Heron will send out Curriculum Maps to Deans for them to send out to Program Chairs again requesting that the maps come back to this committee so that we have a record of how all programs are meeting the Gen Ed requirements. AA and AS need to be figured out for Fall 23 and the AAS and AOS programs have until Fall 24.

Clarified the memo to P. Kelly about courses infusing Core Competencies to come through the committee for review.

Reports are that SUNY is supposed to be updating their paperwork and once it does, we can make sure our paperwork matches. Still just waiting on SUNY, though...

VII. Call for New Business--none

VIII. VI. Adjournment: **3:24pm**

Respectfully submitted by K. Moyer
