The English Dept. and K. Bacon sent revisions and suggestions. We had a very productive ILO discussion and revision session. ILO 1-5 have a structure that all voting and non-voting members feel good about and will be reviewed at the next meeting.

We will ask R. Petrus for some feedback on #6 since it is in her bailiwick. #6 will be our focus at the next meeting.

V. Call for New Business

A. Haggerty challenged the committee to look at how General Education courses are assessed at other colleges similar to us. Perhaps we need to think outside the box and involve students more in assessing the Gen Ed program. Think about the cross-discipline aspects to the program? Committee should get creative. Andrew will send us some schools that have these kinds of components to their Gen Ed. assessments.

VI. Adjournment

4:10PM

**Respectfully submitted,
B.Dawe**
